Exemption No. 6897A

Regulatory Docket No. FAA-2001-8612 - 2

Mr. William L. Hale
3607 Valley Oak Drive
Loveland, CO 80538

Dear Mr. Hale:

By letter dated December 1, 2000, you petitioned the Federal Aviation Administration (FAA) for an extension of Exemption No. 6897. That exemption from § 91.109(a) and (b)(3) of Title 14, Code of Federal Regulations (14 CFR) permits you to conduct certain flight instruction and simulated instrument flights to meet recent instrument experience requirements in certain Beechcraft airplanes equipped with a functioning throwover control wheel in place of functioning dual controls.

In your petition, you indicate that the conditions and reasons regarding public interest and safety, presented in the original petition upon which the exemption was granted, remain unchanged.

The FAA has determined that good cause exists for not publishing a summary of the petition in the Federal Register because the requested extension of the exemption would not set a precedent, and any delay in acting on this petition would be detrimental to you.

Please note the FAA has assigned a new docket number to this project (Docket No. FAA-2001-8612; previously Docket No. 28709). In an effort to allow the public to participate in tracking the FAA's rulemaking activities, we have transitioned to the Department of Transportation's Internet-accessible Docket Management System (DMS), located at <http://dms.dot.gov>. This new docket system enables interested persons to submit, view, and download requests to the DMS in accordance with 14 CFR § 11.63. Future requests should be submitted through the DMS.

The FAA has determined that the justification for the issuance of Exemption No. 6897 remains valid with respect to this exemption.

In consideration of the foregoing, I find that a grant of exemption is in the public interest. Therefore, pursuant to the authority contained in 49 U.S.C. §§ 40113 and 44701, delegated to me by the Administrator, Exemption No. 6897 is hereby amended by extending its May 31, 2001, termination date to May 31, 2003, unless sooner superseded or rescinded.

All other conditions and limitations of Exemption No. 6897 remain the same. This letter shall be attached to, and is a part of, Exemption No. 6897.

Sincerely,

/s/ L. Nicholas Lacey
Director, Flight Standards Service

AFS-01-180-E (Docket No. FAA-2001-8612) Exemption No. 6897A, 03/13/01
